

## 2008 USIACs Awards

The 2008 US Intercollegiate Archery Championships (USIACs) was held in Mays Landing, NJ on 15-18 May. The hosting club was Atlantic Cape Community College, with head Coach Helen Bolnick, and John Repnecki leading the way.

The banquet is the highlight of the tournament. Most people will not, when looking at banquet pictures, that our athletes come dressed to the 9's for this event. This year's banquet was a buffet complete with roasted turkey, Hawaiian chicken, roast beef and all the accoutrements. Awards were presented after dinner.

The USIAC awards included the naming of the 2008 World University Archery team that will represent USA Archery in Taiwan 7-10 July; presentation of the All-Americans in each class, top 10 in the elimination round, the National Individual Champion, National Team Champions, Overall Collegiate Champion, Best New Archers, Coach of the Year.
